403 W St Charles Rd, Suite 403B, Lombard, IL 60148 | SENTAC@affinity-strategies.com

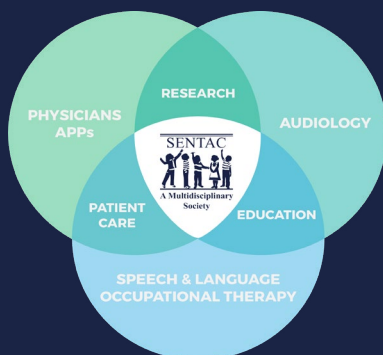

ABOUT SENTAC

The Society for Ear, Nose, and Throat Advancement in Children

The Society for Ear Nose and Throat Advancement in Children (SENTAC) is an interdisciplinary organization composed of physicians, allied professionals, and researchers devoted to improving the lives and health of children of all ages in the fields of speech, audiology, pediatrics, and otolaryngology.

SENTAC aims to promote diversity, equity, collaborative partnerships, and multidisciplinary strategies among its members by providing a venue to share ideas, innovate, and disseminate knowledge on how to help children hear, communicate, swallow, and breathe to the best of their ability.

SENTAC will achieve its aim by supporting research, education, and new membership within the society and by promoting community awareness, health equity, and international outreach for children with ear, nose, and throat disorders.

SENTAC 2022 Annual Meeting Sponsorship Levels and Benefits

Institutional Sponsors will have a unique opportunity for your division to participate in SENTAC program development and to garner recognition for your group, while providing critical support for the SENTAC Development Fund. Rather than creating individual named lectures, Pediatric Otolaryngology divisions sponsor a one-hour panel, group of lectures, simulations symposiums, or webinars in an area chosen jointly between your division and the Program Committee. The division-sponsored session would highlight the care of Pediatric ENT patients as a collaborative effort of Physicians, Advanced Practice Providers, Audiologists, Speech and Language Pathologists, and our other care partners. The sponsorship would bring attention to the strong brand of care your group provides, and SENTAC members from your division would be asked to introduce and moderate the session.

Sponsorship is offered at the following levels:

Institutional Sponsorship Opportunities	
Diamond \$10,000	Your group will sponsor a one-hour scientific session for 5 consecutive years.
Platinum \$5,000	Your group will sponsor a one-hour scientific session for 2 consecutive years.
Bronze \$3,000	Your group will sponsor one-hour scientific session for 1 year
Webinar \$2,000	Your group will sponsor a 1 hour webinar.
